Friday 13th February 2026

Dear Parents and Carers

As we reach the end of another week, it feels only right to comment on the weather. After what seems like a full term of rain, we are all more than ready to start looking ahead to brighter mornings and the first signs of Spring approaching. Longer days are on the way, even if the umbrellas are still working overtime for now.

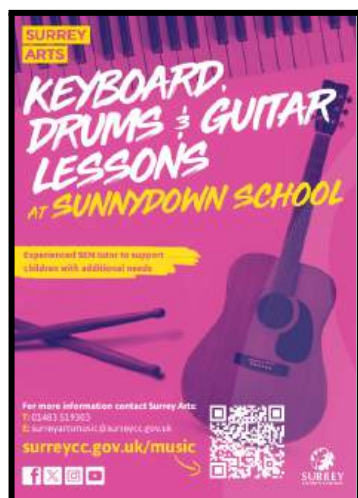

A special mention must go to our Year 11 boys who took part in their glamping residential this week and showed real resilience and good humour, despite the very wet conditions. Camping in the rain is never easy, but the boys rose to the challenge, supported one another well and represented the school brilliantly. Experiences like these build independence, teamwork and memories that last far longer than soggy trainers.

With tomorrow being Valentine's Day, we would also like to wish all our families a happy day with the people they care about and love. Whether that means time with family, friends or simply looking after yourself, we hope it brings a smile at the end of the week.

We would like to wish everyone a restful break, and we look forward to welcoming the boys back to school on 23rd February. Thank you, as always, for your continued support.

Mr Richard Woolley - Headteacher

Instrumental Music Lessons: New Spaces Available

We are pleased to open up additional slots for students interested in music tuition. Lessons are taught by a specialist from Surrey Arts and are currently available for Drums, Keyboard, Guitar, Bass, and Ukulele.

If your son is interested in picking up a new instrument or refining their skills, please sign up for a free taster session. These can be arranged through your Form Tutor or Mrs Cybuch.

Detailed information regarding scheduling, pricing, and booking can be found through the link on the flyer attached below.

Mrs Cybuch

Greenhouse Sports

Last week a Greenhouse T-shirt went to Alex Rose. Alex is always polite and hardworking and has really developed his teamworking skills and resilience since joining Sunnydown.

Well done Alex and keep up the good work!

Mr Odia

Year 11 Residential

This week, the Year 11s set off for their final Sunnydown residential to Henley Fort. The students braved the February weather for two days of mixed activities including low ropes, team building challenges, archery and climbing.

It was wonderful to see the students' maturity levels and they were complimented by the onsite staff for their good humour, can-do attitude and positive behaviour across the two days. I can honestly say I was filled with pride to see how mature all attendees were. It was a privilege to be a part of this moment before their GCSEs and life after Sunnydown. Well done one and all.

Students particularly enjoyed:

Charlie C - The friendly community	Jayden - The dancing
Dominic - The dinner	Leo - Good activities and messing around
Harvey - Lots of pigeons	Luke - The archery

The Sunnydown Team
Mr Wright, Miss Thompson, Mr Derrig Adams, Mr Cousins and Mr Odia

Friday Curriculum

DT students were working hard on the decking this morning.

Mr Derrig-Adams

Uni-Hockey

Well done to the following year 7 students: Ned Barnes, Thomas Copus-Fawcett, Zac Picksley, Toby Fergus, Kieren Bishop and Kayden Wheatcroft for representing the school at the Year 7 Uni-hockey tournament at St Piers School on Tuesday. They all showed great resilience, determination and teamwork. It was a great day, congratulations on all your efforts.

Mr Cassim

Online Safety

Please see the attached flier 'What parents and educators need to know about violent content online.'
