Dear all who are associated with Sunnydown,

The boys have just finished their first week of exams and have shown what resilient young men they are, approaching them with confidence, determination and in a calm manner. Just listening to them afterwards chatting amongst themselves, it is lovely to hear how supportive they are of one another. I am confident they will continue in this manner throughout the remainder of their exams, well done boys! Can we also thank all the boys in Year 7-10 who have been mindful of the exams, during break times and lunch times, to ensure the school is as quiet and calm as possible for the Year 11s.

Gibb Cycle Challenge

We will be welcoming back our explorers next week following what looks to have been an experience of a lifetime for everyone involved. There will no doubt be plenty of pictures and stories we can share in the coming weeks, but a huge congratulations to everyone involved for their achievements.

Attendance

Congratulations to 11P, 9D, 8N & 7W for achieving 100% attendance during the week ending 12th May.

Food Technology

The cooking hats and aprons form part of the school uniform and students should be bringing these in every week for their Food & Nutrition lesson. Could I please ask for your assistance in ensuring that your son has his full protective equipment each week. If these have been misplaced, replacements can be purchased from the school office. Thank you in advance for your support.

Mrs Hull

Sponsorship

Don't forget to bring any sponsorship money you have collected into the office along with your sponsorship forms. If your sponsors have paid the money online via JustGiving, please can you still bring the sponsorship form in so we can tally up how much has been raised. Many thanks.
