

Caterham Cycle Challenge - Couch to 660k Official Sponsorship Form

Please sponsor me as I support Sunnydown's Caterham Cycle Challenge and cycle around Kenley Aerodrome. My distance will contribute to the total distance cycled with the aim of cycling 660km in May 2026. Every donation helps local families in need including some from our school. Additional information overleaf.

Caterham Cycle Challenge - Couch to 660k

Both cycling and bicycle maintenance are important parts of the school offer at Sunnydown school.

The Caterham Cycle challenge is a big part of our cycling programme here, enabling students to beat past records, develop fitness and cycling skills and raise money for good causes.

This year we are fundraising for the CFA, an organisation that celebrates the truces that took place during the First World War and shows the unifying power of sport to connect people across nationalities and religions. It teaches about conflict, conflict resolution and citizenship. You can contribute if you wish by making donations directly to the event or sponsoring a cyclist.

To support this amazing community event, please do not hesitate in sharing the attachments below:
