Headteacher Mr Paul Jensen B.Ed Grad Dip (SEBD) NPQH

Sunnydown School is committed to safeguarding and promoting the welfare of children and young people and expects hirers and their representatives to share this commitment. The Governors require that for all hiring's involving groups working with children, appropriate level of disclosure has been obtained from the DBS for the individuals working on the school premises. Where a DBS/CRB disclosure includes convictions, or other relevant information, the hirer is required to undertake an assessment of risk to determine whether that individual is suitable to work with children and young people.

In addition to the above, the Childcare Act 2006 provides that a person who is disqualified under the Childcare (Disqualification) Regulations 2009 may not provide relevant childcare or be directly concerned in the management of such provision. The Governors therefore require that all hirers providing relevant childcare under the Childcare Act 2006 have informed those individuals who would be deployed to provide or manage the childcare on school premises that they will be committing an offence if they do so whilst disqualified under the 2009 Regulations and that they must inform the hirer if they consider that they could be disqualified under the legislation. In the event of any individual providing such disclosure, the hirer is required to take appropriate action to ensure that no disqualified person is employed or otherwise provides services, with or without payment, in connection with relevant childcare provision on the school premises.

## **Charging**

The Governors formally adopt the general rules, regulations and guidelines set out in the LMS Guidance Manual – Finance, Section M – Community Use of Schools.

However the intention must be to maximise income from this valuable source of revenue and with this in mind the Governors have approved the school tariffs for letting of various areas. These tariffs can be obtained from the School Business Manager.
