Art	Pupils continue with their theme of Identity. Many pupils have been inspired by eyes and a variety of contemporary artists that they looked at in the previous term. They will plan out either a picture for the pupils who are doing fine art or a 3D photographic piece of work for the photographers.	Pupils will finalise and finish their final piece of coursework.	Pupils will respond and develop their own personal ideas to a chosen exam question. This is set by thduqas board. Pupils will research various artists to influence their work and sit a 5 hour practice exam.	Pupils will continue developing their final idea and plan out what they will do in the 10 hour exam. Pupils will either be doing Fine Art or Photography.	Pupils will finish any outstanding coursework before it is marked in May.
